

Lors de mon alternance j'ai pu effectué des backup en voici un exemple d'interface

The screenshot shows the Veeam Backup & Replication software interface. The main window displays a list of backup jobs under the 'Jobs' category. The table includes columns for Name, Type, Objects, Status, Last Run, Last Result, Next Run, Target, and Description. All listed jobs are currently stopped and have a success status. The left sidebar shows navigation links like Home, Inventory, Backup Infrastructure, Storage Infrastructure, Tape Infrastructure, Files, Analytics, and History. A search bar at the top allows filtering by object name.
